

Easy Strawberry Cheesecake Ice Cream Recipe

Ingredients

1 Cup Ice Cubes
3 Cups Frozen Strawberries
1 Cup Half and Half
8 Ounces Cream Cheese
2 Tablespoons Fresh Lemon Juice
1/4 Teaspoon Lemon Zest
1 Teaspoon Vanilla
2/3 Cup Maple Syrup

Instructions

Start by adding the ice cubes, frozen strawberries, half and half, cream cheese, lemon juice, lemon zest, vanilla, and maple syrup to a blender. Then, mix until the ingredients combine to form a smooth consistency like a milkshake. Next, pour the mixture into a dish and place in the freezer for about an hour to harden, or enjoy immediately and serve the yumminess milkshake style. Add your favorite toppings and **ENJOY!**
